

Elevated Risk Management Services

Cider PAK® is a proven insurance solution for cider operations, from cider production to retail sales, from startups to the largest in the country.

What It Covers

We cover all types of cider businesses, including:

- Cider Production
- Cider Production for Others
- Tasting Rooms
- Restaurants
- Special Events
- Bonds
- Retail Sales
- Catering
- Lodging

How We Use Advanced Technology

Proprietary Drone Tool assesses property risks to ensure cideries are properly covered:

- Survey property in its entirety to map terrain & geographic features
- Record thermal data from onsite equipment/infrastructure to assess electrical fire risk
- Assess area wildfire risk of property and surrounding area
- Identify unscheduled property
- Analyze defensible space around structures

Program Features

- Thermal imaging inspections of building and equipment electrical systems to detect problems that could lead to fire and/or failure
- Location surveys to evaluate safety, security and fire systems
- Available in 42 states
- Offering all lines of coverage, including Farm Buildings, Dwellings, Transit, Cider Contamination and more
- Available exclusively through independent insurance agents and brokers
- Dedicated claims team in place since 2000
- Evaluations of Building replacement costs and insurance to value
- Underwritten by Great American Insurance Company since 1996

Safety Services

- Emergency planning & evacuation
- Driver screening; driver training and record management programs
- Accident investigation protocols
- Wide variety of safety training sessions
- Training for responsible serving of alcohol
- CyberScout portal with online risk management tools
